## **OVER**

## **Measuring the Pledge**

Children and young people have 42 rights under the United Nations Convention on the Rights of the Child (UNCRC). These 42 rights give children and young people what they need to grow up happily, healthily and safely. Read a summary of

every right.

The Pledge is a set of promises based on children's rights. All adults who work with you should ensure that the pledge really is what happens - if it does not tell us!
