

WE ARE RECRUITING

The FJYPB supports the work of the Family Justice Board by enabling children and young people to have a direct say in the way in which services for children and young people are run. We do this in lots of many different ways such as: inspections of Cafcass offices, contact centres and courts, developing and delivering training to professionals, taking part in workshops and developing resources for working with children and young people.

Are you 7-25 years old
and had experience of
the Family Courts?

There are many reasons why
you may have experience,
but here are just a few:

- Have your parents split up.
- Having contact with the parent that you don't live with.
- Attended a Contact Centre.
- Met with someone from Cafcass (*Children and Family Court Advisory and Support Service*).
- Experience of family mediation.
- Had or do still have a Social Worker.
- Live in the care of another family member or a foster carer.
- Live in a residential care home.

REWARDS

Members are paid per hour. If over 16 the money will be paid into a bank account, if under 16 then members are paid in vouchers that can be used in a range of shops, cafes and theme parks!

Being part of the FJYPB is a brilliant amazing and awesome opportunity.

I take part in lots of interesting projects representing and making sure the child's voice is heard.

It's a very rewarding role and is a fabulous and fun opportunity".
